DINALPCONNECT

DINALPCONNECT CONFERENCE ON ECOLOGICAL CONNECTIVITY

The conference will provide an opportunity for researchers and practitioners to exchange knowledge on various aspects of ecological connectivity. These include spatial analysis, implementation of measures to reduce the negative impacts of grey infrastructure, social conflicts related to ecological connectivity, and the role of protected areas. The international setting will promote exchange of best practices in different countries.

LIST OF TOPICS

- Spatial models of ecological connectivity
- Ecological connectivity in agriculture dominated landscapes
- Ecological connectivity in forest ecosystems
- Reducing the effects of grey infrastructure on ecological connectivity
- Importance of protected areas for ecological connectivity
- Social conflicts related to ecological connectivity

IMPORTANT DATES

Deadline abstract submission: 15 april 2022
Abstract acceptance notification: 16 may 2022
Deadline for registration (no fee): 1 June 2022
