

Job Vacancy Announcement
ASSISTANT (PHD)

Education required: PhD (Doctor of Science)

Probation period: 3 months

Type of employment: Fixed-term contract (duration of the project – from 1 May 2026 to 30 April 2027)

Contact person: Saša Zagode Burič (+386 3 898 64 20)

Job Description:

- Active involvement in scientific research and transfer of research results into the study process, as well as participation in activities related to teaching and research within the professional field,
- Guiding students in research work and study activities; providing mentorship to students,
- Preparation and delivery of theoretical, practical, and other forms of exercises, as well as training students in accordance with the course instructor's guidelines,
- Cooperation with the course instructor in preparing and conducting student assessments and other teaching activities,
- Preparation of teaching materials, equipment, and tools required for exercises
- Participation in meetings of faculty bodies and committees (FVO),
- Timely execution of work in accordance with the agreed teaching schedule
- Providing study materials to students, reporting on completed work, and completing surveys for higher education teachers via the school information system (ŠIS, e-classroom),
- Availability to students during office hours,
- Ensuring safe and healthy working conditions for staff and students,
- Performing other tasks within the broader professional scope of the position as instructed by the supervisor.

The selected candidate will primarily carry out independent work on a research project in the field of ecology and wildlife management. This includes conducting research projects and monitoring, working with camera traps, capturing and tracking tagged animals using telemetry, disseminating findings, and communicating with both professional and general audiences. Preference will be given to candidates with a background in environmental protection or biotechnical sciences, especially in biology, forestry, or agriculture.

Candidates are invited to submit their application via email to: sasa.zagodeburic@fvo.si no later than 5. 4. 2026.
